

# Cause and effect

Grade 2 Comprehension Worksheet

**Cause** and **effect** are about how one thing can happen because of something else.

The **cause** is why something happened.

The **effect** is what happened.

Read the **cause**. Circle the best **effect**!

<b>Cause</b>	<b>Effect</b>
1. Maria forgot her lunchbox on the bus on the way to school. What happened because Maria left her lunchbox on the bus?	Maria had to get lunch at school.
	Maria played a game with her teacher.

<b>Cause</b>	<b>Effect</b>
